

Since 1998, WORLD CLASS COACHING has become a household name in the worldwide soccer coaching community.

WORLD CLASS COACHING staff study training sessions from the top teams in world soccer and then publish them in their bi-monthly magazine. Over 11,000 coaches from over 40 different countries all over the world use WORLD CLASS COACHING material to help them with their coaching. Now your players can take part in exactly the same practice sessions as the top professional players around the world.

What is the difference between a WORLD CLASS COACHING Camp and a regular Challenger Sports British Soccer Camp?

The WORLD CLASS COACHING camp curriculum will be made up 100% of international club and national team practices. The camp will not include many of the fun camp activities that are a trademark of the British Soccer Camp program. The physical, technical and tactical demands of this camp will be higher than normal, we recommend that only competitive teams sign up for this program.

We will provide your players the exact same practices that helped make Van Nistleroooy, Beckham, Henry, Rooney and Ronaldo into the world's top players. Sample Camp Schedule
